

AFFINITY PROGRAM

How it can benefit you . . .

As members of Florida Hospices and Palliative Care (FHPC), you have the power of 67 counties and 39 programs representing thousands of employees working together in the State of Florida. Using the influence of the entire business community, we bring you, and your business, savings and discounts on services that matter to you.

We invite you to review our benefits and take advantage of the time and money you will save by using FHPC Affinity Programs. We're hoping you will soon discover a reduction in your bottom line and an increase in the productivity of your organization.

“By helping each other,
we help ourselves.”
