FHPCA to Hold 28th Annual End-of-Life Conference

ORLANDO, FL - Where are you on your hospice journey? This is the driving question behind Florida Hospice & Palliative Care Association's (FHPCA) 28th Annual Forum Conference "***Journey: Mapping Our Past, Paving New Roads***". On May 23 & 24, 2013 expert speakers and seasoned hospice professionals will gather together at the Hilton Orlando in Orlando, Florida to explore what the hospice industry has been through these past 40 years, as well as taking a look at what the future holds for hospice and end-of-life care. Join your peers from around the southeast United States for this end-of-life clinical conference designed for the entire IDT team, and explore where you have been and where you are going on your personal hospice journey.

You can view the session speakers and topics, conference rates, and register online at www.floridahospices.org/forum. Advanced Early Bird registration is now open, save \$50 per registration by registering before 12/30/2012.
